Fees: SQUAD AND COACHING.

Fees for Stowmarket Swimming Club are made up of two parts:

1. Annual Members' Subscription (to include ASA/Swim England Fees).
2. Squad and Coaching Fees.

This guidance covers the rules for SQUAD AND COACHING FEES. There is separate guidance for the Annual Members' Subscription.

Apart from coaching fees everyone associated with the club are volunteers and provide their services free of charge. Nonetheless, the club faces costs in terms of pool hire, training and administration. These costs are recouped through the levy of fees spread over the year as twelve monthly payments.

The fees are levied over twelve months in order to spread the cost and to allow for the setting up of monthly standing orders. This includes for the month of August when teaching and training for most squads ceases to give swimmers and coaches a break. Fees for the month of August are still payable.

The fees are set in relation to the amount of pool time a swimmer enjoys and vary across the different training groups. A rate sheet is posted on the club noticeboard (outside the door to the pool area), on the club website and at the club desk on Friday evenings.

The club reserves the right to adjust the fees at any time but they are usually amended annually.

Fees are payable by month and are only accepted by standing order. This should be paid by 5th of the month for the month that the fee is due. For example, the fees for April should be paid by 5th April.

Payment details are:

Bank sort code:	20-82-75 (Barclays);
Account number:	60847933;
Account name:	Stowmarket Swimming Club;
Reference:	Name of child/member

Separate standing orders should be set up for each child in a family rather than all fees lumped into one amount.

Note that the above guidance applies to squad and coaching fees only. The Annual Members' Subscription should be paid by cash or cheque.

If a swimmer leaves the club during the year there will not be a refund of any fees paid. However, any standing orders can be cancelled. **Please be reminded that the club requires one month's notice for swimmers leaving the club.**

IT IS THE RESPONSIBILITY OF THE SWIMMER AND/OR THEIR FAMILY TO ENSURE THE CORRECT FEES ARE PAID. Individual invoices are NOT issued. Please bear in mind that the club is run by unpaid volunteers and the onus is on the swimmers and their families to assist in the smooth running of the club by ensuring the prompt payment of all fees. It should never be necessary for volunteers to have to chase for payment.

For any queries on these fees please email stowswimmembership@gmail.com or refer to any committee member available at the club desk on a Friday evening.
