## **SWIMMER ABSENCES AS A RESULT OF INJURY AND ILLNESS.**

If a swimmer is ill or injured for any period it is possible to suspend club fees for some of the duration.

Any agreement to the suspension or waiving of fees is at the discretion of the club committee.

The period of illness or injury must be **in excess of** one month duration.

Where a fee waiver is granted the waiver will start **after one month of consecutive absence.**

Applications to waive fees must be made in writing to the club coach:

Mrs Sylvia Harrison  
Stowmarket Swimming Club  
Gainsborough Road  
Stowmarket IP14 1LH

Any fees paid prior to any waiver being approved that cover all or part of the absence will be held by the club and set against future fees due.

Official explanation of the Illness and Injury policy is contained in the club's terms and conditions of membership.
